

# Affymetrix

and

## The Centre for Applied Genomics

The Hospital for Sick Children

present

# GeneChip Technology Seminar

**Tuesday June 9<sup>th</sup>, 2009**  
 Hospital for Sick Children  
 First Floor Auditorium  
 555 University Avenue, Toronto, Ontario

Time	Topic
9:30 – 10:15	<b>miRNA Arrays and New Expression Technologies</b> Presented by: Marco Raposo, MSc. Manager , Field Application Scientist
10:15 – 11:15	<b>Affymetrix Cytogenetics / Copy Number Research Solution</b> Presented by: Jeff Smith , PhD. Genomics Market Manager, Clinical Development
	<i>Coffee Break</i>
11:30 – 12:10	<b>Affymetrix Custom Seq: Targeted Sequencing Technology</b> Presented by: Jeff Smith, PhD. Genomics Market Manager, Clinical Development
12:10 – 12:40	<b>Mouse Genotyping and Future Affymetrix Technologies</b> Presented by: Marco Raposo, MSc. Manager , Field Application Scientist
	<i>LUNCH (complimentary for registrants)</i>

Registrants will enjoy lunch and refreshments sponsored by Affymetrix.  
 Please RSVP before Friday June 5, 2009 via e-mail
