

CIFAR PRESENTS

PERSONALIZED MEDICINE: ARE WE READY?

The age of personalized medicine, tailored to our individual genetic makeup, is upon us. But are we ready?

This October 16th, international research and industry leaders who are shaping this age will gather in Toronto for an unprecedented conversation.

DATE:

Thursday, October 16, 2008

TIME:

7:00 – 9:00 PM
(reception will follow)

LOCATION:

The Isabel Bader Theatre
93 Charles Street West, Toronto.

**ADMISSION IS FREE,
BUT SEATING IS LIMITED.**

Please register at:
