

Individualizing Medicine through Genomic Analysis: What is available today?

1. Did you know that the Centre for Genetic Medicine has started a Genome Clinic? Are you interested in finding out how this new clinical research project can benefit you and your patients?
2. Do you want to know what options are available at SickKids for obtaining whole exome or whole genome sequencing for your patients?
3. Would you like to learn about research funding opportunities in genomic medicine at SickKids?

Join us for an open forum:

DATE and TIME:

- *June 5, 2013 - 5:00-7:00pm*
